### 2011 USBC Youth Open • Las Vegas, NV

The USBC Youth Open, the only true national open tournament for youth bowlers, will be a fair test of your bowling skills. Format: Team, Singles and Doubles (3 games each) in average-based divisions. All scores are scratch. Doubles and singles events are bowled on the same day while team competition is on another day. You can request the specific squad dates and times when you want to compete, and you may enter the team event without bowling singles and doubles. However, if you choose to compete in singles must also bowl doubles, just as all doubles pairs also must bowl in the singles event. Boys and girls compete together on the lanes and in the tournament standings, except for all-events which tracks results of players in each division in separate boys and girls rankings. Teams and doubles pairs may be same gender or a mix of boys and girls.
