3. **What if I want to cancel participating in an upcoming USBC national event?**

USBC encourages all participants to weigh their options and determine the best decision for them personally. For any national tournament, USBC will transfer your 2020 entry to an alternate date (as available) or to the 2021 tournament at no charge.

Otherwise, you may receive a full refund and USBC will waive any cancellation fees.

4. **Is USBC refunding any travel expenses?**

No.

Airlines: USBC encourages each participant to contact their airline, as a majority have offered consumers the ability to cancel/change flights without a fee.

Lodging: Any hotels booked through MyBowlingVacation.com are reservations, with only some of them charging a one-day hold fee. Most hotels at the events have a 24-hour to 48-hour cancellation policy, with some at 72 hours. Simply cancel your reservation before that timeframe and you will be fully refunded.

Third-party bookings: USBC encourages those wishing to cancel their upcoming participation in a USBC event to contact those individual companies to see what they will do for you. Unfortunately, USBC has no control over pre-paid reservations.

5. **Is USBC refunding any other expenses related to the event that was pre-paid?**

No. If you booked additional trips or activities that are outside of USBC's control, we recommend you coordinate with those individual businesses.

6. **Can I consider changing the date I am currently scheduled to bowl for the Open and Women's Championships?**

Yes. You can log in to REG.BOWL.com and switch your dates, if those squads are available.

7. **What will USBC do about vendors at the Open and Women's Championships?** USBC

will communicate with each vendor its current preventative plans and will mandate additional policies as appropriate.
