TOURNAMENT OVERVIEW CALIFORNIA

The California Youth Scratch Championships (formerly the CA Pepsi Youth Championships) is a multi-level nationwide qualifying event for USBC certified youth bowlers. This tournament is a benefit of USBC youth membership — every youth bowler should be given their chance to enter. California has awarded over \$1,000,000 since 1998 from this event (Coca-Cola Youth Championships/Pepsi Youth Championships).

NOTE: An athlete is not required to belong to the Junior Gold Program in order to enter in this tournament. If an athlete in the U12-U18 divisions wins a berth into the Junior Gold Championships, they must purchase membership by May 15. If they are unwilling or unable to purchase membership, the athlete keeps any awards given from the state, but will not be allowed to advance to the Junior Gold Championships and an alternate will be chosen.

This handbook contains basic information for the California Youth Scratch Championships. The 2026-27 League Level Rules must be followed and supplied to each athlete. USBC and your California Youth Scratch Championships Tournament Committee thank you for your support and dedication to this event. If you have any questions, please contact us at (562) 449-4527 or email info@calusbc.com. All tournament information can be found online at CALUSBC.com. Specific District Finals information is posted separately at CALUSBC.com and will be emailed to each Youth Program Director.

LEAGUE LEVEL QUALIFYING: NOVEMBER 7-20, 2026 & JANUARY 16-29, 2027

DEADLINE TO ENTER: FEBRUARY 18 (No late paperwork will be accepted.)

Competition is open to all 2026-27 USBC Youth members that are enrolled in a California USBC certified youth league and not under suspension. **BOWLERS CAN QUALIFY USING LEAGUE SCRATCH SCORES BASED ON A RATIO OF 1:3 PER DIVISION.** Substitutes are allowed to participate if it is their only league. **No pre or post-bowled scores allowed. ENTRIES MUST BE SUBMITTED THROUGH CALIFORNIA USBC CERTIFIED LEAGUES with ONE PAYMENT submitted from the YOUTH DIRECTOR to their respective District Director.** Bowlers are vying to qualify from League Level to the District Finals (March). There are 6 Districts in California based on location and local association (see last page). If your league has a conflict with the qualifying window dates, please contact your District Director to ask for permission to move your dates one week before or one week after. U10 division bowlers that want to compete in the U12 division may submit the opt up waiver. They cannot change divisions once submitted and they must qualify from the U12 division.

Competition is held in 12 divisions based on the bowler's date of birth:

- ★ Boys/Girls U8 Division: Birthdate is 8/1/2018 or later
- ★ Boys/Girls U10 Division: Birthdate is 8/1/2016 thru 7/31/18
- ★ Boys/Girls U12 Division: Birthdate is 8/1/2014 thru 7/31/16
- ★ Boys/Girls U14 Division: Birthdate is 8/1/2012 thru 7/31/14
- ★ Boys/Girls U16 Division: Birthdate is 8/1/2010 thru 7/31/12
- ★ Boys/Girls U18 Division: Birthdate is 8/1/2008 thru 7/31/10

Make sure to provide the USBC league listing that shows the current youth members in the league. This list would be provided from the local association processing your youth membership.

OFFICIAL WORKSHEETS are provided in this handbook and are available online at CALUSBC.com. One worksheet per division (do not mix bowlers from different age divisions onto one worksheet). Use the SUMMARY FORM when submitting worksheets, supporting documents and payment to your District Director. Sport and Challenge leagues must be notated. Sole verifiable "sport/challenge" averages will be adjusted per the USBC Sport/Challenge Average Chart. BLS software can be used to automate your qualifying worksheets. Each bowler has two weeks of scores to use for qualifying per window. The highest series between the two weeks, will be used towards the qualifying ratio (see sample worksheet). ***TIP: Include the names of bowlers from November qualifying for the January qualifying so that you will get the most number of bowlers to use towards the ratio. If a bowler from November qualifies again in January, automatically decline them and take the next person in line.***

2026-27 CALIFORNIA LEAGUE RULES

ATHLETES MUST READ THESE RULES AND CONFIRM THEIR DIVISION PRIOR TO COMPETITION

1. The USBC Youth Scratch Championships is certified by the United States Bowling Congress and governed by USBC rules.
2. Competition is open to all 2026-27 USBC Youth members. To compete, a bowler must be a regular member of a certified USBC league and not be under suspension at the time of qualifying. League substitutes are allowed to participate if it is their only USBC Youth league. USBC Collegiate members are eligible if they are 2026-27 USBC Youth members, bowl in a USBC Youth league and have not violated USBC Rule 400.
3. All USBC Youth members in good standing are eligible for the league-level competition. There is no entry fee at the league level. Bowling centers having 2026-27 USBC-certified youth leagues are automatic league-level qualifying sites. **Entries must be submitted through California USBC certified youth leagues.**
4. **Participants must be aware of each competition level in the state and all associated rules, fees and deadlines. These items are contained in the specific state rules from the State tournament director. (State director information can be found on BOWL.com.)**
5. Competition will be conducted in divisions based on the participant's date of birth as listed below. Participation in the wrong age division will lead to automatic disqualification. Bowlers must stay in the given division in that particular league throughout the entire window. Each division includes both Boys' and Girls' categories.

<u>Division</u>	<u>Birthdate Range</u>
U8	Born 8/1/2018 or later
U10	Born 8/1/2016 – 7/31/18
U12	Born 8/1/2014 – 7/31/16
U14	Born 8/1/2012 – 7/31/14
U16	Born 8/1/2010 – 7/31/12
U18	Born 8/1/2008 – 7/31/10

***There is no requirement of Junior Gold membership to enter the U12, U14, U16 or U18 divisions!**

6. The qualifying window average will be the current league average as of the first date of competition (no minimum number of games). Participants must remain in that division for the duration of that window. Bowlers are eligible to compete in a different division in a different league during the league level of competition (see opt. up waivers).
7. League-level qualifying will be conducted in certified leagues November 7-20, 2026 & January 16-29, 2027. Visit CALUSBC.com for specific tournament information. If needed, the Tournament Director can grant changes in the qualifying dates to individual bowling centers.
8. Qualifying scores must be bowled during regularly scheduled league play. **Pre-bowled or post-bowled scores may not be used as scores for advancement purposes.** Advancement to the next competition level will be from the league level based on a ratio of 1:3 per division/per window.
9. Participants can attempt to qualify in any state where they hold a 2026-27 USBC Youth membership card. However, the bowler can only advance once using the following criteria:
 - a) In the event a bowler qualifies in more than one league in the same division, the bowler must advance from the league in which the highest series was bowled. For identical qualifying scores, the member will advance from the league where the first score was bowled.
 - b) If a bowler qualifies in different leagues from multiple divisions, the bowler must select one division they will compete in before subsequent competition.

2026-27 CALIFORNIA LEAGUE RULES

ATHLETES MUST READ THESE RULES AND CONFIRM THEIR DIVISION PRIOR TO COMPETITION

- c) If the bowler advances out of league level in more than one state/zone, the bowler must declare one state to continue competing in before the next competition level.
- d) Participation in any level of competition past the league level in more than one state/zone and/or more than one division will result in automatic disqualification.

Note: Advancers remain in the division they qualified in during the league level in all subsequent competition. If there is a tie for the last-place qualifier in a division, both will advance to the next level of competition.

STATE LEVEL

- 10. The top one (1) bowler in the U12, U14, U16 or U18 divisions for boys and girls at the state competition with the highest scratch score will earn a berth to the Junior Gold Championships. To receive the berth, the bowler must be a USBC Youth Standard member and Junior Gold program member no later than May 15. **If the winner is not eligible for the championships, they will still retain all awards from the state, but the next eligible bowler will receive the berth to the Junior Gold Championships.**
- 11. Advancers to the Junior Gold Championships must agree to bowl in the Junior Gold Championships. Replacements will be selected based on the order of finish in their division at the state level. In the event that a qualifier needs to be replaced (declined or previously qualified) and there is a tie to determine who will advance to the Junior Gold Championships, the high game from the qualifying scores will determine who will advance. If the high score for each is the same, the next subsequent high score will be used until the tie is broken.
- 12. Failure to abide by any rules and regulations will lead to disqualification from this event. The USBC Youth Scratch Championships National Tournament Committee reserves the right to accept or reject any participant.
- 13. The USBC Youth Scratch Championships National Tournament Committee will decide all matters not covered by these rules and regulations or USBC rules and regulations. All decisions are final.

**ALL BOWLERS MUST READ
AND UNDERSTAND THESE RULES**

**Tournament information can be found at CALUSBC.com
on the 2027 Youth Scratch Championships page.
State Rules are also posted on that site.**

USBC YOUTH SCRATCH CHAMPIONSHIPS WAIVER FORM

The USBC Youth Scratch Championships allows parents/players to request a WAIVER to allow their player to “play up” into an older group. Requests and any approval granted are for the current season’s tournament only. Requests are by written application only by the parent or legal guardian. While the USBC Youth Scratch Championships does not recommend that players play up, the tournament leadership does recognize that there may be a number of factors, including but not limited to, size, maturity, experience and skill levels that may influence a player’s decision to play up.

Requested Age Division: (Circle one) U10 U12

I, the parent/guardian of the above-minor child, hereby request my child to compete in the division requested above. I understand that this is not the age division he/she was originally assigned by the USBC Youth Scratch Championships tournament rules. I am aware that my child will be competing against older and potentially more physically developed players with potentially higher-level skills, and I, therefore, recognize the added risks to my child’s health and safety, as well as to my child’s emotional well-being. In signing below, I accept these risks and accept all and every liability and responsibility stemming from such risks as my own, and I absolve the USBC Youth Scratch Championships, its affiliated clubs, board members, volunteers, and associated personnel against any claims. I also acknowledge that I am making this decision on my own initiative and have not been requested to do so by any outside influence.

It is the policy of the USBC Youth Scratch Championships that all players compete at a level they are capable of, both physically and developmentally.

This form must be submitted to the USBC Youth Scratch Championships State Coordinator before participation in the local qualifier. No changes to a division may be made once a bowler has started a qualifier.
